Re: Product Information

To whom it may concern,

Please be aware that all of our rubber connectors are manufactured in the A•LOK Products, Inc. facility located at 697 Main St., Tullytown, Pa., USA or the Vertex facility located at Mogadore Industrial Parkway, Mogadore, OH. USA.

All A•LOK Products, except the magnets for mounting mandrels, are manufactured from components originating in the United States, are domestic end products, and therefore meet the conditions of the Buy American Act.

If you should have any further questions or need assistance in any way, please don't hesitate to contact us.

Thank you,

A handwritten signature in black ink that reads 'Wally Swiger'.
